

# Micela

PRIVATE VILLA

Poised just above the brilliant blue waters of Flamands, the two bedroom Villa Micela is a beach lover's dream. Indoors, guests can relax in air-conditioned comfort, while enjoying the seascape. An open floor plan encompasses a comfortable living room with US satellite TV, a dining area and a sleek, compact L-shaped kitchen (A guest bath with shower is conveniently located on this level.) The kitchen opens onto a delightful dining portico adjacent to the heated pool and deck - which is enormous and affords loads of outdoor living space. Tropical plantings divide the pool area from a sheltered dining nook and cushy chaises overlook the beach; a gated staircase will have your toes-in-the-sand in a heartbeat... The main level also includes an en suite (king/twin) bedroom. Upstairs, the spacious master bedroom (king) has an en suite bath and a private WC. Both bedrooms have plasma TVs with US satellite to up the relaxation factor. Villa Micela is a wonderful vacation home for two couples or a small family. This is a non-smoking villa.
