

Suite Harbour

PRIVATE VILLA

Well located in Gustavia, St. Barth's little harborside capital, Suite Harbour also known as Harbor Haven, is a delightful three bedroom apartment that enjoys easy access to shops, restaurants and popular Shell Beach. The first level's open floor plan encompasses a kitchen, dining area, guest bath and a spacious air-conditioned living room that opens to a balcony with a view of the port. An east-west exposure changes the "mood" on the balcony and it's the perfect spot for guests to enjoy their morning *café au lait* or early evening cocktails. The tropical sunsets highlight the postcard-worthy view of the bustling harbor. The master bedroom (French king) with its en suite bath is off the living area. Two guest bedrooms (French king and queen) and a bath are on the upper level. The décor is cozy casual throughout and there is Dish Network TV service.
