

Ti Acerola

PRIVATE VILLA

Private and romantic enough for honeymooners, Villa Ti Acerola is an idyllic just- for- two retreat. A generous deck encompasses a pretty pool, outdoor living and lounging spaces and the villa's two pavilions. A gas grill is at the ready for cooking out and dining alfresco. The view is gorgeous! In the main pavilion, a sleek, compact kitchen and adjacent dining area connect via a corridor cum dressing area to the bedroom. The nicely appointed bath is off the corridor. The 2nd pavilion houses a living room for cocktails and conversation or cuddling up to watch TV. Close its glass sliding doors for air-conditioned comfort – and still enjoy the WOW view.
