

Wine Not

PRIVATE VILLA

Hillside in St. Jean, the striking five bedroom Villa Wine Not offers panoramic views over the Bay, a wealth of outdoor dining space and a special connection for wine lovers. The modern design and décor are complemented with a unique framed collection of wine label posters. A double sized, temperature-controlled wine cellar discretely separates the kitchen from the indoor living areas. Sleekly designed for a professional chef to service a crowd, it contains two refrigerators and dishwashers, expansive counter and prep areas and all the culinary amenities that allow for turning out a gourmet feast with ease. A dining bar that comfortably seats 12, runs vertically down the far end of the living space. There is a more formal dining area and a living room cum home cinema with its own little bar for libations. A spectacular extra-long heated swimming pool is the focal point of the outdoor space which includes a room-sized gazebo.

Four of the bedrooms have French king beds, en suite baths with walk-in rain showers, double sinks and private WCs. The main level master suite boasts a magnificent view and combines a huge walk-in closet with a dressing room. Mid-level, a second master suite features a circulating plunge pool just outside its glass sliders. Two additional bedrooms are on the third terraced level each with lovely features that include a balcony and a view of the sea, artfully framed by the villa's architecture.
